You choose how many days and what days you would like your child to attend based on spaces available. Whatever days you sign up for are the scheduled days for your child to attend for the entire school year (Sept. - mid June).

You can choose EITHER the morning OR afternoon program, not both.

We can take late registrations but only if there is space available.

The number of days a child attends will not exceed their age unless approved.

We can take your name for a wait list if spaces are full.

Maximum class size is 16

Each day we will have 1 teacher, 1 assistant and 1 parent helper. Occasionally there may be an Educational Assistant from an outside program depending on individual needs of the children.

Our program fees include 1 fieldtrip or special event per month.

Fundraising throughout the year is required however there are NO bingos or casinos to work.

Parent helper days are mandatory. (About once every month)

A snack is provided according to the monthly calendar for your child by you as a parent.

Although we are located in North Pointe Community Church our program is not Christian based rather it is non-denominational and is education based.

Children must be fully toilet trained; meaning they recognize cues that they need to use the washroom before it's too late. The child must be able to wipe themselves even for a bowel movement. We do NOT allow pull-ups.

Children must be able to speak and comprehend the English language as instruction is done in English. We need two-way communication with you and your child.

If your child requires learning support from an outside program it is your responsibility to communicate that to us and to have support in place prior to your child attending.

Your child must be able to enter the classroom independently. Staff cannot carry a child in nor can we restrain them in any way.

If your child cannot follow the daily routine and is disrupting the learning of others, you may be asked to withdraw your child from the program.

Our classes combine 3 and 4 year olds.

Transportation is not provided. You must get your child to and from Playschool.

Each child attending must be able to participate without interfering with the learning of others.

Prior to registration acceptance the staff will need to meet every child in person
